Your medical claims for the last 18 months are listed below. Claims are listed in the order in which they are received and processed. To view your electronic Explanation of Benefits (e-EOB), click on the View Claim Details in the claim summary. You can print the e-EOB and use it as you would use a paper EOB: send it to another insurance carrier, file for Flexible Spending Account reimbursement, or keep it for your records.

Use the **Claims Search** box to look up completed or pending claims by date of service, time frame, or claim number.
